Sir:

Applicants, through their undersigned attorney, hereby petition for the revival of this application for entry of this application into the U.S. National Phase under 35 USC 371. This application became abandoned for failure to enter the U.S. national phase of PCT/IL2005/000097 by filing appropriate papers with the U.S. Designated Office within 30 months of the priority date.

Under 37 CFR §1.137(b), a petition to revive an unintentionally abandoned application must be accompanied by (1) a statement that the entire delay in filing was unintentional, (2) a proposed response unless it has been previously filed, and (3) a fee in the amount of \$1,500.00 for a large entity.

(1) Applicant, through undersigned counsel, hereby

states that the entire delay in filing the papers necessary to perfect the initial entry into the U.S. national phase of this case from the due date for entry into the U.S. national phase (July 29, 2006) until the filing of this grantable petition, was unintentional.

(2) Papers required for entering the U.S. national phase of this application are attached hereto.

(3) A petition fee in the amount of \$1,500.00 as required by 37 C.F.R. §1.17(m) is included in the attached credit card authorization form PTO-2038 attached hereto.

It is believed that the granting of this petition and the revival of this application (for entry into the U.S. national phase) are in order. Such is respectfully requested.

Please charge any additional fees which may be necessary with respect to the revival of this application, or credit any overpayment, to deposit account no. 02-4035 of the undersigned.

Respectfully submitted,
